

Bebbington Industries is looking for a Chemist

Bebbington Industries

Bebbington Industries is a Dartmouth, Nova Scotia based manufacturer of cleaning and industrial products. We have been in business since 1991 and we offer a wide range of products and services. Bebbington Industries has been the recipient of national awards for our work on environmental issues and in 1998 we were the first company to receive EcoLogo certification for cleaning products.

Bebbington products are sold largely across Atlantic Canada. Our DOWN EAST consumer products are available at Sobey's, Superstore and many independent stores. Our commercial and industrial products are used by Government and industrial organizations particularly in the marine, off-shore and fishing industries.

Information on our products can be found at www.bebbingtonindustries.com and www.downeastclean.com

We are located in Burnside Park, Dartmouth Nova Scotia where we occupy a 12,000 square foot facility and employ a staff of 8. Bebbington Industries is an ISO Registered company.

Position Available

The position available is an entry level position for a recent graduate in chemistry or science. Some previous laboratory or industrial experience would be beneficial. The applicant will be required to work in our manufacturing facility and to undertake some product/process development work in our laboratories. Competence in basic chemical principles is necessary and this job does require the ability to routinely undertake heavy lifting in our manufacturing facility.

Job Description

- To assist and then assume responsibility for the manufacturing of many of our products
- To undertake quality control procedures
- To be involved in the routine operation of a manufacturing facility, as required
- To assist in the design and development of new processes and products relating to industrial and consumer cleaning products. Independent work will be encouraged.

To Apply for this Position

Please send a copy of your resume to customerservice@bebbingtonindustires.com referencing CHEMIST POSITION. No phone calls or visitations please. We will contact suitable candidates within 1 week of receiving application.
