Three (3) Full-time Limited Term Positions in Computer Science

DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science at St. Francis Xavier University invites applications for three (3) full-time Limited Term appointments. These positions are subject to final budgetary approval.

The first appointment is a three-year (36 months) position starting January 1, 2020.

The second appointment is a three-year (36 months) position starting September 1, 2020.

The third appointment is a two-year (24 months) position starting September 1, 2020.

St. Francis Xavier University's Computer Science program is the top ranked in Atlantic Canada in *Maclean's* for the third year in a row. Computer Science research at St. Francis Xavier University was tied for first place in Canada in field-specific research impact (Field-weighted citation impact, *Maclean's* 2019).

The Department of Computer Science offers undergraduate programs (Bachelor of Arts and Bachelor of Science) and a thesis-based Master's of Science in Computer Science. The Department has also recently launched a new course-based Master's of Applied Science in Computer Science and a post-Baccalaureate Diploma in Artificial Intelligence to complement other undergraduate degrees. The candidates will have the opportunity to contribute to the growth, direction and success of the new programs in the department. To learn more about the Department of Computer Science, St. Francis Xavier University, please visit our website at http://www2.mystfx.ca/computer-science/

The successful candidates should hold a PhD (or a nearly completed PhD) in Computer Science or a closely related field. The candidates must show a strong commitment to teaching. The primary responsibilities of the successful candidates will be teaching courses at both the undergraduate and graduate level in Computer Science.

Application material should include: a cover letter, a curriculum vitae, a statement of teaching interests and philosophy, a statement of research interests and the contact information for three references. Applicants should indicate whether they are interested in being considered for only one or for more than one of the three positions, and specify which position(s). **The application must be submitted electronically in the form of one pdf file sent to: rtmacdon@stfx.ca with subject line LTA_CS_2020.**

The review of applications will begin on September 16, 2019 and will continue until the three positions are filled.

Only those selected for an interview will be contacted. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. StFX respects diversity and welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities and members of a sexual minority group.
