

The **Department of Psychology at St. Francis Xavier University** is seeking applications for a nine month limited term appointment at the rank of Assistant Professor or Lecturer commencing September 1, 2021. This position is subject to final budgetary approval.

We are looking for a Developmental Psychologist with an interest in Health who is able to teach courses in Developmental Psychology (PSYC 260), Health Across the Lifespan I & II (Health 201/ 202), Introductory Psychology for the Natural Sciences (PSYC 101), and Psychology as a Social Science and Profession (PSYC 102).

The Department is seeking candidates who are committed to contributing to StFX's priorities of equity, diversity, and inclusion. A demonstrated ability in fostering a climate of inclusion in the classroom is an asset.

Electronic submission of curriculum vitae, letter of application, teaching summary, and the names, addresses (including email) and telephone numbers of three (3) references should be sent to:

Dr. Peter McCormick
Chair, Department of Psychology, pamccorm@stfx.ca.
Phone (902) 867-3926, Fax (902) 867-5189.

Consideration of applications will begin March 1, 2021. Applications will be reviewed until the position is filled.

Only those selected for an interview will be contacted. Preference will be given to Canadian citizens and permanent residents. StFX respects diversity and welcomes applications from visible minority group members, women, Indigenous persons, persons with disabilities and members of sexual minority groups.
