# Admission Requirements and Information Sheet

## Two-year Bachelor of Education program

The Bachelor of Education is a two-year program following a first degree. Applicants for the BEd program must have completed a first degree in arts, science, human kinetics (formerly physical education) or any equivalent. The BEd program has two streams: elementary and secondary. Specialist programs in teaching physical education and French as a second language are available, within either the elementary or the secondary stream.

### ADMISSION CRITERIA

At the present time, admission to the Bachelor of Education program is limited to approximately 100 students. During the review process, applicants are initially evaluated in 4 equally-weighted areas.

- 1) **Academic records:** Normally applicants for the BEd program must have a senior year average of at least 70 or a GPA of 2.5. Consideration is also given to the applicant's performance throughout the entire undergraduate program.
- 2) **Life experiences and community involvement:** Both breadth and depth of involvement are evaluated, as is the applicant's experience with diversity and with inclusive practices.
- 3) **Letters of reference:** The rating of the applicant's personal and professional qualities by 3 referees who know the individual in different capacities as a learner, worker, and leader are evaluated.
- 4) **Essay on why the applicant wants to teach:** The essay is evaluated on the applicant's articulation of his/her view of students, view of subject-matter, and vision for schooling.

### INTERVIEWS

Based on the above criteria, applicants will be short listed for the next stage of the process where interviews are normally required. Interviews include core questions asked to all applicants applying to the BEd program as well as specific questions relating to the elementary or secondary stream, as applicable, and, for secondary stream applicants, to the major and minor subject fields for which the applicant is applying. Interview questions focus on a general understanding of teaching, teaching content and processes, personal and professional qualities, an understanding of diversity and inclusive practices, and communication skills. The applicant's file review and interview are equally weighted. Composite scores from the two parts of the application process form the basis for offers in each stream of the program, and within subject fields in the secondary stream.

### ADMISSION TIMELINES

- JANUARY 24** Completed applications must be submitted by January 24 of the year admission is sought.
- FEBRUARY 1–28** Applications will be reviewed by faculty within the School of Education.
- MARCH 1–31** Selected applicants will be invited for interviews, at differentiated times, by stream and by subject field, throughout this period.
- APRIL 1–30** Letters will be mailed out to applicants informing them of the status of their applications.

### ELEMENTARY EDUCATION STREAM (P-8) REQUIREMENTS

**SOCIAL STUDIES:** Nine (9) credit hours are required in the subject field of Social Studies from any one or combination of the following disciplines: History (preference for local & Canadian History), Geography, Political Science, Classics, Anthropology, Mi'kmaq Studies, Acadian Studies, Economics, Law, African Canadian Studies, Sociology or Philosophy.

**SCIENCE:** Six (6) credit hours are required in a university science from any or a combination of the following disciplines: Environmental Studies, Biology, Chemistry, Interdisciplinary Studies in Science, Geology/Earth Sciences, Oceanography or Physics.

**MATHEMATICS:** Six (6) credit hours are required in the subject field of Mathematics. Three of the six credits must include the investigation of fundamental concepts and ideas.

**ENGLISH OR FRENCH:** Six (6) credit hours are required in the subject field of English, if the undergraduate degree was delivered in English. Six (6) credit hours are required in the subject field of French, if the undergraduate degree was delivered in French.

**DEVELOPMENTAL PSYCHOLOGY:** You must have a course in Developmental Psychology. This may be a three or six credit course.

**FRENCH:** Applicants are encouraged to have courses in oral and written communication; communication strategies (speaking, listening, reading, writing strategies); Acadian, Quebec and francophone culture courses; an introduction to French literature, which could include literature throughout the francophone world. In addition to this, elementary applicants are encouraged to have a course in Children's French Literature taught in French.

## SECONDARY EDUCATION STREAM REQUIREMENTS

### INFORMATION ON SUBJECT FIELDS AND RELATED DISCIPLINES

Secondary education students must prepare to teach two subject fields normally taught in the public secondary schools of Nova Scotia (English, French, Social Studies, Diverse Cultures, Mathematics, Science, Physical Education/Health Education, Fine Arts, Gaelic, Family Studies).

**ENGLISH:** Applicants are encouraged to have courses in Canadian, American, British (including Shakespeare), and post-colonial literature.

**FRENCH:** Applicants are encouraged to have courses in oral and written communication; communication strategies (speaking, listening, reading, writing strategies); Acadian, Quebec and francophone culture courses; an introduction to French literature which could include literature throughout the francophone world.

**SOCIAL STUDIES:** Applicants must have a concentration in one of the following related disciplines: Acadian Studies, African Canadian studies, classics, economics, geography, history, law, Mi'kmaq, political science anthropology or sociology. Please note the discipline of anthropology can be used for a minor subject field only, not as a major subject field, unless it is cross-listed with sociology.

**DIVERSE CULTURES:** Applicants must have a concentration in African Canadian studies, Mi'kmaq studies, native studies anthropology or sociology. Please note, courses in women's studies, world religions, and interdisciplinary studies are only eligible if they are cross-listed with the aforementioned related disciplines. Also note the discipline of anthropology can be used for a minor subject field only, not as a major subject field, unless it is cross-listed with sociology.

**MATHEMATICS:** Applicants are encouraged to take math courses in calculus, matrix algebra, geometry, and statistics.

**SCIENCE:** Applicants must have a concentration in one of the following related disciplines: biology, chemistry, geology/earth sciences, environmental studies, oceanography, or physics.

**PHYSICAL EDUCATION/HEALTH EDUCATION:** Applicants, please see notes below on Physical Education Specialization.

Applicants with a specialization in Fine Arts, Gaelic or Family Studies should contact the Faculty of Education for further information.

### MAJOR SUBJECT FIELD

A minimum of thirty (30) credits in the applicant's first degree must be in one discipline of a recognized subject field taught in Nova Scotia secondary schools. (e.g. 30 credits of history which is one discipline of the recognized subject field of Social Studies). A maximum of 6 credit hours of cognate\* university coursework may be included in fulfillment of this requirement

### MINOR SUBJECT FIELD

A minimum of eighteen (18) credit hours of university coursework in one discipline in a second recognized subject field taught in Nova Scotia secondary schools. (e.g. 18 credits of biology which is one discipline of the recognized subject field of Science). A maximum of 6 credit hours of cognate\* university coursework may be included in fulfillment of this requirement.

### PHYSICAL EDUCATION SPECIALIZATION

As a specialist discipline, Physical Education requires that prospective students meet recognized national standards. In addition to the general requirements for either the elementary or secondary stream, applicants must have a minimum of 30 credits in the major subject for their first degree in the related disciplines of physical education, human kinetics, or kinesiology, with at least half consisting of courses beyond the introductory level. In addition, students should present among their required courses the following:

- a) Courses illustrating knowledge of disciplinary content, including but not limited to, human anatomy/physiology, motor learning and control, and psychology of physical activity;
- b) Courses related to the curriculum of the provincial school system including basic movement, gymnastics, dance, and team/individual sports, recreation and leisure pursuits, and exercise and health-related fitness;
- c) Courses in health education and growth and development;
- d) A course in special populations in physical education.

Consideration may be given to applicants with unique skill sets or experiences.

### MI'KMAQ FOCUS

Applicants pursuing a Mi'kmaq focus in their BEd may develop a concentration in language and/or culture. The language focus requires oral fluency in Mi'kmaq, and at least eighteen (18) credits in Mi'kmaq language-related courses in the first degree.

\* Cognate coursework refers to coursework in a course in which the content is consistent with the content in the discipline for which credit is being allocated, for example Classics as History, Communications as English, etc. Please note that final decisions on cognates are determined by the School of Education in consultation with the Registrar of Teacher Certification Division of the N.S. Department of Education.
